

County of Los Angeles CHIEF EXECUTIVE OFFICE

713 KENNETH HAHN HALL OF ADMINISTRATION LOS ANGELES, CALIFORNIA 90012 (213) 974-1101 http://ceo.lacounty.gov

March 11, 2008

Board of Supervisors GLORIA MOLINA First District

YVONNE B. BURKE Second District

ZEV YAROSLAVSKY Third District

DON KNABE Fourth District

MICHAEL D. ANTONOVICH Fifth District

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

DEPARTMENT OF PUBLIC WORKS: SUPPLEMENTAL CONSULTANT SERVICES AGREEMENTS FOR ENVIRONMENTAL SERVICES FOR PROJECTS THROUGHOUT THE COUNTY OF LOS ANGELES (ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)

IT IS RECOMMENDED THAT YOUR BOARD:

Authorize the Acting Director of Public Works or his designee to enter into and execute supplemental consultant services agreements with Chambers Group, Inc. and URS Corporation Americas, for \$350,000 each, for a total of \$700,000 over a one-year period.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended action is to extend as-needed consultant services agreements for environmental compliance services. The \$350,000 per consultant for one year will allow uninterrupted environmental services with ongoing programmed projects. It will also obviate the need for a new consultant to spend considerable time becoming familiar with ongoing projects.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs that we provide Fiscal Responsibility (Goal 4) and Organizational Effectiveness (Goal 3). This action will reduce project costs by allowing consultants who are familiar with existing projects to continue to work on those projects.

The Honorable Board of Supervisors March 11, 2008 Page 2

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund.

Funds are available in the Public Works' Fiscal Year 2007-08 budget to finance the current year expenditures with total appropriations not to exceed the amounts for each of the following funds:

- Road Fund, \$500,000
- Flood Fund, \$500,000
- Waterworks District No. 29, Malibu, Accumulative Capital Outlay Fund (N33), \$100,000
- Waterworks District No. 40, Antelope Valley, Accumulative Capital Outlay Fund (N64), \$25,000
- Proposition C Local Return Fund, \$25,000
- Transit Enterprise Fund, \$25,000
- Bikeway Fund, \$25,000

Any remaining authorization within the not-to-exceed fee of \$350,000 for each agreement will be budgeted in Fiscal Year 2008-09. Total expenditures from all approved funds, collectively, will not exceed the amount of \$700,000 over a period of one year, and no service will be ordered without the funding authorization of Public Works' Chief Financial Officer.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The supplemental consultant services agreements will be in the form previously reviewed and approved by County Counsel. The original contract with Chambers Group, Inc. and URS Corporation Americas were solicited on an open competitive basis and are in accordance with applicable Federal, State, and County requirements. The contractors are in compliance with the Chief Executive Officer's and your Board's requirements.

The original consultant services agreements contained terms and conditions supporting your Board's ordinances, policies, and programs, including but not limited to: County's Greater Avenues for Independence and General Relief Opportunities for Work Programs (GAIN/GROW), Board Policy No. 5.050; Contract Language to Assist in Placement of Displaced County Workers, Board Policy No. 5.110; Reporting of Improper Solicitations, Board Policy No. 5.060; Contractor Employee Jury Service Program, Los Angeles County Code, Chapter 2.203; Notice to Employees Regarding the Federal Earned Income Credit (Federal Income Tax Law, Internal Revenue Service Notice 1015); Contractor Responsibility and Debarment, Los Angeles County Code Chapter 2.202; and the Los Angeles County's Child Support Compliance Program,

The Honorable Board of Supervisors March 11, 2008 Page 3

Los Angeles County Code, Chapter 2.200; and the standard Board-directed clauses that provide for contract termination or renegotiation.

Data regarding the consultants' minority participation is on file with Public Works. The consultants were selected upon final analysis and consideration without regard to race, creed, gender, or color.

The consultants, Chambers Group, Inc. and URS Corporation Americas are located in Orange County and Los Angeles County, respectively. The contract renewals will be for a period of one-year.

The agreement includes a cost-of-living adjustment provision in accordance with your Board Policy, which was approved on January 29, 2002.

ENVIRONMENTAL DOCUMENTATION

Approval of the agreements is not a project subject to the provision of the California Environmental Quality Act because it can be seen with certainty that this action will not result in a direct or reasonably foreseeable indirect physical change in the environment in accordance with Public Resources Code Section 21065.

CONTRACTING PROCESS

Your Board, on October 8, 2002, Synopsis No. 27, authorized the Acting Director of Public Works or his designee to execute consultant services agreements in order to support environmental compliance of Public Works construction, maintenance, and emergency projects with Chambers Group, Inc., effective March 20, 2003; and URS Corporation Americas, effective April 29, 2003. The agreements were for environmental consultant services for a three-year period with two, one-year renewal options for a total fee not to exceed \$1,050,000 each.

The agreements with Chambers Group, Inc. and URS Corporation Americas are scheduled to expire on March 19, 2008 and April 28, 2008, respectively. Chambers Group, Inc. and URS Corporation Americas are currently working on a number of ongoing projects for which future services will be required. A Request for Proposal is currently in process to hire consultants in a similar manner as the 2002 agreements. However, Chambers Group, Inc. and URS Corporation Americas may not be selected as new as-needed consultants. Therefore, to provide the most effective and efficient services for ongoing projects and to minimize costs, it is desirable to supplement the current agreements with additional funds and time. The \$350,000 per consultant for one year will allow uninterrupted environmental services. It will also obviate the need for a new consultant to spend considerable time becoming familiar with ongoing projects. Attachment 1 contains a list of current active projects that these consultants are involved with.

The Honorable Board of Supervisors March 11, 2008 Page 4

The agreements with Chambers Group, Inc. and URS Corporation Americas will allow for these two as-needed consultants to provide technical services over a one-year period for a maximum amount of \$350,000 each, for a total of \$700,000. The effective date of the agreements will be established based on the expiration dates of the 2007 renewal supplemental agreements.

<u>IMPACT ON CURRENT SERVICES (OR PROJECTS)</u>

Execution of these agreements will provide ongoing environmental services in an efficient manner, enhancing the delivery of the Department of Public Works' construction programs.

CONCLUSION

Please return one adopted copy of this letter to the Department of Public Works, Programs Development Division.

Respectfully submitted,

WILLIAM T FUJIOKA Chief Executive Officer
